**Re: Whitby Wing Shack and Cyclone Records Presents Rock and Roll Cancer Benefit**

To Whom It May Concern,

The Canadian Cancer Society, Durham Region Unit, confirms that Brad Trew and other organizers, will be hosting a 'Rock and Roll Cancer Benefit' at the Whitby Wing Shack on October 11, 2008.

The 'Rock and Roll Benefit' is a proud supporter – third party event for the Canadian Cancer Society where proceeds will be donated to the Society to help fund cancer research and community programs.

As happens with many fundraising activities, event organizers for the 'Rock and Roll Benefit' are looking to the community for support in their fundraising efforts, all in support of the Canadian Cancer Society and its mission:

We appreciate the efforts of Brad Trew and others involved in organizing this event and look forward to your support in the fight against cancer.

Together, let's make cancer history!

Thank you for your support,

*CKarbanyk*
