Press

"Creature Republic will quickly draw you in with their fusion of fiery rock and sweet melody. To say that their innovative compositions are refreshing is...an understatement." – LOUDORANGE.COM

I spent 22 years in the radio business and have heard a lot of music. This band stuck out from the first listen and that says a lot. Creature Republic has a clever blend of pure rock with meaningful lyrics. Don't bother just buying one song, download the entire album, you will be very happy. SCOTT ST. JOHN, THE LITTLE SHOW
